The prefix 'a' indicates that the horse has shown its best form on dirt or an artificial surface. 'S' is the 'Timeform squiggle', indicating that the horse is unreliable (for temperamental or other reasons).

About Timeform Global Rankings

Timeform Global Rankings are launched each year with the publication of the definitive 'Racehorses' annual in early March. Updates to the list are released several times a year, each publication date timed to follow major international Flat meetings. Please note that current ratings may reflect form evidence since the latest issue, so any advertising statements based on Timeform Global Rankings should refer to the issue number and year.
