£6,500 7f (1410 Metres)

Going: **Standard**

Chelmsford City (first opened in April 2008 under the name Great Leighs) has a polytrack surface and is essentially galloping in nature, having broad, sweeping turns. It is a left-handed track of just over a mile in circumference, with seven-furlong and one-mile races starting on different spurs. Since re-opening, prominent tactics have proven an advantage, all the more so in fact over sprint trips.

Draw: **N/A** Pace Information: **Weak**

1	4	SPIRIT CATCHER (IRE) (21) (D)		100
	1	2 9-9 61.2kg		
		Mark Johnston	Joe Fanning	
Promising individual. 11/4, won 9-runner minor event at Redcar (7f, good to firm) on debut 21 days ago, quickening clear. Likely there is more to come and he has to be taken seriously under a penalty.				
2	2	FRANCESI (IRE) (12)		81
	8	2 9-2 58.1kg		
		S. P. C. Woods	Cieren Fallon	
Once-raced maiden. Eighth of 12 in minor event (8/1) at Yarmouth (7f, good to soft) on debut 12 days ago, met some trouble. Likely to improve.				
3	3	GOLDEN SHOT (11)		63
	8	2 9-2 58.1kg		
		Sir Mark Prescott Bt	Luke Morris	
Once-raced maiden. 50/1, eighth of 10 in minor event at Leicester (7f, heavy) on debut 11 days ago, considerably handled.				
4	1	WINDSEEKER (10)		97
	2	2 9-2 58.1kg		
		Richard Hannon	Sean Levey	
Once-raced maiden. Second of 8 in maiden at Nottingham (8.3f, good, 16/1) on debut 10 days ago. Should improve for that outing and he looks the one to beat,

BETTING FORECAST:

11-10 Spirit Catcher, **5-4** Windseeker, **12-1** Francesi, **33-1** Golden Shot

TIMEFORM VIEW:

This looks like a two horse race. WINDSEEKER ran a nice debut at Nottingham 10 days ago and he should come on for that outing. He's just favoured to get off the mark at the second time of asking. Spirit Catcher won well on debut at Redcar earlier in the month though and he should be thereabouts once again.

TIMEFORM VIEW:

JUNGLE RUN shaped well on his qualifying run at Kempton last month when stuck wide from his draw. He may have more to offer on handicap debut off a low mark. Jusumi is exposed but he'd go close if repeating his Wolverhampton effort here. Heers Harry is next on the list.

TIMEFORM VIEW:
HOWZAK improved on handicap debut over 6f here a fortnight ago, should have no issue with the drop in trip and is less exposed than most of his rivals. He makes plenty of appeal in a thin looking contest. Bluella looks the best alternative as she is relatively consistent for one operating at this level. Jaffathegaffa isn't out of it either.

TIMEFORM VIEW:

COMMIT NO NUISANCE has a good record over C&D and he's been lightly raced over the summer unlike a few in here so he may be a bit fresher than his rivals. He looks the one to side with in a competitive race. Lafan has two all-weather wins to his name including over C&D and he will be a formidable threat. Azets is consistent and his yard are in good form so he could offer some each-way value.

It is a left-handed track of just over a mile in circumference, with seven-furlong and one-mile races starting on different spurs. Since re-opening, prominent tactics have proven an advantage, all the more so in fact over sprint trips.

TIMEFORM VIEW:

This shouldn't take much winning and PERCY'S PRINCE is in very good form having won at Kempton last month. He'd run well over C&D prior to that and he makes most appeal. Love Poems has performed with credit the last twice and he won't be far away. Montaqem makes some appeal too.

TIMEFORM VIEW:
Several in with a chance but it could pay to side with ENGRAVE. Julia Feilden's charge is yet to score away from this venue and, having slipped back down in the weights, she's taken to notch a fifth C&D victory. Athers proved better than ever to open his account over C&D a fortnight ago so could give the selection most to think about, ahead of Western Beat and Wimpole Hall.
