

DIRECTIONS TO TIMEFORM

BY CAR

Leave the M62 at junction 24, taking the A629 to Halifax. It's about three or four miles to Halifax, most of it is dual carriageway. At the third set of major traffic lights turn right (sign-posted 'Town Centre East', also 'Leeds A58/M62'). Go straight ahead at the two mini roundabouts, you'll pass through two more sets of lights (the first of them by the railway station) and then a pedestrian crossing; Timeform House is the large three-storey office block on the right at the next set of lights (turn right just before the lights for the rear car park).

BY RAIL

Halifax Station is on the Trans-Pennine route. Turn right at the end of the approach to the station and follow Square Road, Charles Street and Winding Road (all shown on the map). The walk takes about 10 minutes.
